We use *do* and *does* to make questions with the present simple. We use *does* for the third person singular (*she/he/it*) and *do* for the others.

We use *do* and *does* with question words like *where*, *what* and *when*:

Where do Angela and Rita live?

What does Angela do?

When does Rita usually get up?

But questions with *who* often don't use *do* or *does*:

Who lives in London?

Who plays football at the weekend?

Who works at Liverpool City Hospital?
